

We believe that translators should have a secondary status with regard to locally based Low Power stations - if a bonafide local organization wants to use a channel for real, new, local broadcasting, they should not be pre-empted by a repeater. The licensing system as it stands gives preference to remote, out of state organizations looking to rebroadcast on thousands of channels nationwide, rather than to local entities who want just one community radio station."

have a real choice of Please expand LPFM, and allow my community to broadcasting. Thank you.
